

Dear Parents,

We are inviting all girls in the 3<sup>rd</sup> – 6<sup>th</sup> grades to be a part of the excitement at our free program, **Girls United! in Christ**.

During this program, girls will learn about building character and healthy relationships with friends and family.

Your children will extend their learning through every activity; making their own special memories with crafts and learning about the building blocks of character – honesty, trustworthiness, and patience in our first session, and kindness, humility and generosity in the second session.

Come experience at:
